

# DRW

450

650

Reliable, practical and secure: these are the distinguishing features of the new DRW 450 and DRW 650 metal cash drawers.

Available in two different sizes, with a pull-out cash tray providing four sections for banknotes and 8 sections for coins. The manual keylock, steel banknote holder clips, front-facing slots for insertion of large-denomination notes, in a drawer with clean stylish lines, make the DRW 450 and DRW 650 the ideal choice for all cash registers, fiscal and non-fiscal printers, and POS systems in the Olivetti Shop Automation range.
